Send this completed form to the B3 Business Services Development e-mail:

[bvmfsolution@bvmf.com.br](mailto:bvmfsolution@bvmf.com.br)

### 1. Registration Details

Corporate Name:	
Brazilian ID number (CVM Code):	
Address:	
City:	
Country:	
ZIP Code:	

### 2. Information on Service Availability

**2.1. Please indicate your type of company for iMercado access:**

Asset Manager                     
  Administrator                     
  Foundation

---

**2.2. Indicate the type of iMercado access:**

iMercado extranet -                      This option enables access via extranet to the iMercado for request and automatic download of IMBARQ files through the Secure Client file exchange system. To enable this access, it is necessary to have or hire one of the B3 technological infrastructure connections available in the [Technology Infrastructure Access Manual](#)

iMercado internet -                      This option enables access via internet to the iMercado for request and manual download of IMBARQ files and is intended mainly for asset managers, administrators and foundations with no B3 connection.

---

**2.2.1. If you chose the iMercado extranet access, indicate below the access connection to be used for the Business Services Development to send you the application procedures:**

RCB
